

## Next Generation Focus, Inc. Home of the SmarterMe® programs

**Next Generation Focus** is a not-for-profit, 501(c)(3) organization focused on Education and Youth Development.  
**Mission** is to equip the Next Generation Leaders by providing educational, relational, and financial resources.

---

Dear Parents,

I hope you and your family had a wonderful Thanksgiving and the children enjoyed the break. I can't believe 2021 is almost over. During this holiday season, I'd like to thank you for your partnership. We love seeing our students online and we are proud of them for working so hard this year.

Christmas is just round the corner! Last holiday season, we were blessed to be able to provide toys, gift cards, fresh food and meat for the families. For this Christmas, we're working to provide a small gift for the REGISTERED STUDENTS AND THEIR FAMILIES.

Funding from the GA Department of Education (Ga DOE) and the GA Division of Family and Children Services (DFCS) make our high quality, low tuition, year-around program available for your children. Each year, we're required to update registration information. Your cooperation is needed to continue to serve your children. Without the updated information, your child may not be able to continue in our program.

Please go to [www.smarterme.org](http://www.smarterme.org) to download the FFY22 Registration form, FFY22 Afterschool Care Program Participant Forms, and **Google signup form for your gift! (PLEASE SIGNUP BY SATURDAY, 12/11, 9PM)**

- You must bring all the forms on the 18<sup>th</sup> to receive your giftcard and toys
- Or email your forms to me at [amysol@nextgenerationfocus.org](mailto:amysol@nextgenerationfocus.org) by the 12/16/2021

Please note that we will be following the school schedule in December. We're working to provide a Winter Learning Packet for your child to jump start on the GA Milestones and the district assessments. Please sign-up at [www.smarterme.org](http://www.smarterme.org). Some of our tutors will be available during the break to provide an additional help for students in grades 6-12. Please contact me to schedule a session. Also, contact me if your child needs a laptop/Chromebook.

Thank you and as always, please let me know if your family needs food/essentials/help this holiday season.

Wishing you a blessed holiday season!  
Amy Sol (Ms. Amy)
