Page 1 of 2

Page two of this document requests your permission for the Georgia Division of Family and Children Services (DFCS) to take and use photographs of your child and other Out of School Services staff. When we tell others the story about DFCS Out of School Services, it would be helpful to share photographs of the statewide participants. Pictures can enhance people's understanding about who is involved in the program and what activities and services are being conducted. If you have more than one child, this form should be completed for each child participating in DFCS Out of School Services.

If you agree for us to take and use these photographs, our use of them will include, but will not necessarily be limited to the following: publications about the program; recruitment activities to reach additional youth who might participate in the future; and/or reports about the program to supporters and others who are interested in the program's outcomes.

If you have any questions regarding the Photo Release Form, please contact DFCS Out of School Services at 404-657-4651.
