Dear Parents,

Summer is just around the corner and what a wonderful school year it has been! I'd like to take this time to thank you for partnering with us this school year. We have really enjoyed having your child in our SmarterMe program.

Our students have learned many new skills and concepts this school year. Their education should not stop in the summer. To maintain academic success, they must continue to learn, practice and review over the summer. By continuing to sharpen essential math and reading skills, they will prevent summer learning loss. We hope to see your child at our summer learning program!

If your child is continuing with us this summer, you **MUST** let us know by **SUNDAY, MAY 7<sup>TH</sup>**.

Important May dates:

- 5/7 – **SUMMER REGISTRATION DEADLINE HAS BEEN EXTENDED** (IN-PERSON & VIRTUAL)
