Dear Summer Camp Families,

One week left until it's time to welcome your kiddos to our camp! As the camp draws closer, here are a few reminders for you and your children:

- They must bring a **reusable water bottle** and wear **close-toed shoes**.
 - Students are only allowed to bring water. Other drinks, such as soda or energy drinks, will be confiscated.
 - Outside lunches and snacks are permitted but must be peanut- and nut-free.
- PreK students must bring a **change of clothes** in a ziploc bag with their name written on it. These clothes will be left with us to be used as a backup if necessary.
- Please do not send electronic devices, sports gear (such as soccer balls or cleats), stuffed animals, or toys/games with your children. **We are not responsible if these items are lost or stolen**.
- Drop-off time for **REGULAR** camp hours (10:00am-3:00pm) starts at 9:45am. For **EXTENDED** camp (9:00am-4:00pm), drop-off is between 8:50am-9:15am.
 - On the first day of camp, **parents must escort their children** inside of the building to drop off the participant and eligibility forms as well as pick up their carpool tag to be used at pick-up.
- For **REGULAR** camp, dismissal begins at 3:00pm. For **EXTENDED** camp, students must be picked up no later than 4:00pm.
 - Parents who arrive late will be charged \$1 per minute from the time the last car has left the carpool lane.

We cannot wait to welcome your students next week! Let's make this summer AWESOME!
